

Disability Specific Projects:

1. Intellectual Disability (ID)

- Special School
- Residential Support
- Pre-Vocational Training
- Vocational Training
- Parent Empowerment
- Family Empowerment
- Inclusive Education Support
- Consultancy
- OPD Services (OT, PT, ST, Psychology, SI, Special Education)

2. Specific Learning Disability (SLD)

- Residential Support
- Pre-Vocational Training
- Vocational Training
- Parent Empowerment
- Family Empowerment
- Inclusive Education Support
- Consultancy
- OPD Services (OT, PT, ST, Psychology, SI, Special Education)

3. Cerebral Palsy (CP)

- Special School
- Residential Support
- Pre-Vocational Training
- Vocational Training
- Parent Empowerment
- Family Empowerment
- Inclusive Education Support
- Consultancy
- OPD Services (OT, PT, ST, Psychology, SI, Special Education)

4. Multiple Disability (MD)

- Special School
- Residential Support
- Pre-Vocational Training
- Vocational Training
- Parent Empowerment
- Family Empowerment
- Inclusive Education Support
- Consultancy
- OPD Services (OT, PT, ST, Psychology, SI, Special Education)

5. Hearing Impairment (HI)

- Special School
- Residential Support
- Pre-Vocational Training
- Vocational Training
- Parent Empowerment
- Family Empowerment
- Inclusive Education Support
- Consultancy
- OPD Services (OT, PT, ST, Psychology, SI, Special Education)
- Auditory Training
- Auditory Verbal Therapy (AVT)
- Augmentative and Alternative Communication (AAC)

6. Visual Impairment (VI)

- Parent Empowerment
- Family Empowerment
- Inclusive Education Support
- Consultancy
- Adjustment Training
- Remedial Education
- Mobility Training
- Independent Living Training
- Vision Rehabilitation (Low-Vision)

7. Autism Spectrum Disorder (ASD)

- Special School
- Residential Support
- Pre-Vocational Training
- Vocational Training
- Parent Empowerment
- Family Empowerment
- Inclusive Education Support
- Consultancy
- OPD Services (OT, PT, ST, Psychology, SI, Special Education)

HRD Programs:

1. Intellectual Disability (ID)

- Long Term Programs
 - i. Diploma in Early Childhood Special Education (01 year)
 - ii. D.Ed. in Special Education – Intellectual Disability (02 years)
 - iii. B.Ed. in Special Education – Intellectual Disability (02 years)

- Short-Term Training Programs
 - i. Modular course in Cross Disability Intervention
 - ii. Modular course in Inclusive Education & UDL
 - iii. Modular course in Home Based Management
 - iv. Modular course in Psycho-Social Management
 - v. Modular course in Therapeutic Management
- CRE programs: 02 to 05 days training programs on topics related to:
 - i. Early Intervention
 - ii. Pre-School Education
 - iii. School Education
 - iv. Transition from School to Work
 - v. Pre-Vocational, Vocational and Skill Training
 - vi. Employment & Adult Independent Living

2. Specific Learning Disability (SLD)

- Long Term Programs
 - i. B.Ed. in Special Education – Learning Disability (02 years)
- Short-Term Training Programs
 - i. Modular course in Universal Design of Learning
 - ii. Modular course in Psycho-Social Management
 - iii. Modular course in Inclusive Education
 - iv. Modular course in Interventions for Reading, Writing & Arithmetic
 - v. Modular course in Cross-Disability Intervention
- CRE programs: 02 to 05 days training programs on topics related to:
 - i. Assessment, Diagnosis & Intervention
 - ii. Differentiated Instructions & Universal Design of Learning
 - iii. Inclusion and Technology

- iv. Psycho-Social Aspects
- v. Remediation and Sensory Management

3. Cerebral Palsy (CP)

- Long Term Programs
 - i. D.Ed. in Special Education – Cerebral Palsy (02 years)
- Short-Term Training Programs
 - i. Modular course in Physical and Functional Management
 - ii. Modular course in Therapeutic Management
 - iii. Modular course in Aids & Appliances for CP
 - iv. Modular course in Accessibility
 - v. Modular course in Augmentative & Alternative Communication (AAC)
- CRE programs: 02 to 05 days training programs on topics related to:
 - i. Assistive Devices and Technology
 - ii. Augmentative & Alternative Communication (AAC)
 - iii. Mealtime Management
 - iv. Indian Picture Symbols for Communication (IPSC)
 - v. Alternative Therapies
 - vi. Early Intervention and Inclusive Education

4. Multiple Disability (MD)

- Short-Term Training Programs
 - i. Modular course in Parent Empowerment
 - ii. Modular course in Home Based Management
 - iii. Modular course in Aids and Appliances for MD
 - iv. Modular course in High-Support Needs
 - v. Modular course in Deaf-blindness
- CRE programs: 02 to 05 days training programs on topics related to:
 - i. Assistive Devices and Technology

- ii. Augmentative & Alternative Communication (AAC)
- iii. Indian Picture Symbols for Communication (IPSC)
 - iv. Deaf-blindness & High Support Needs
 - v. Early Intervention and Inclusive Education

5. Hearing Impairment (HI)

- Long Term Programs
 - i. D.Ed. in Special Education – Hearing Impairment (02 years)
- Short-Term Training Programs
 - i. Modular course in Aids and Appliances for HI
 - ii. Modular course in Indian Sign Language
 - iii. Modular course in Augmentative and Alternative Communication (AAC)
 - iv. Modular course in Inclusive Education & UDL
 - v. Modular course in Cross Disability Intervention
- CRE programs: 02 to 05 days training programs on topics related to:
 - i. Early Intervention
 - ii. School Education
 - iii. Oralism and Communication Options
 - iv. Methods & Techniques of teaching language
 - v. Development of Literacy skills

6. Visual Impairment (VI)

- Short-Term Training Programs
 - i. Modular course in Visual Impairment
 - ii. Modular course in Braille
 - iii. Modular course in Deaf-blindness
 - iv. Modular course in Orientation and Mobility
 - v. Modular course in Plus/Expanded Core Curriculum for VI

- CRE programs: 02 to 05 days training programs on topics related to:
 - i. Primary Level Education
 - ii. Secondary Level Education
 - iii. Orientation and Mobility
 - iv. Unified English Braille & Bharati Braille
 - v. Technology in Education

7. Autism Spectrum Disorder (ASD)

- Long Term Programs
 - i. D.Ed. in Special Education – Autism Spectrum Disorder (02 years)
- Short-Term Training Programs
 - i. Modular course in Therapeutic Management
 - ii. Modular course in Psycho-Social Management
 - iii. Modular course in Sensory Management
 - iv. Modular course on Mental Wellness
 - v. Modular course in Inclusive Education & UDL
- CRE programs: 02 to 05 days training programs on topics related to:
 - i. Assessment, Diagnosis and Intervention
 - ii. Therapeutic Management
 - iii. Sex Education and Life Skills Training
 - iv. Transition, Work and Employment
 - v. Inclusive Education and Technology

Offering Cross Disability Inputs:

1. **Visual Impairment:** Provision of cross-disability inputs in the following domains:
 - a. Psycho-Social Implications of Blindness and Low-Vision
 - b. Teaching of Expanded Core Curriculum
 - c. Inclusive Education
 - d. Universal Design for Learning
 - e. Use of ICT in Education

- f. Inclusive and Barrier Free Learning Environments
- g. Use of Aids and Appliances
- h. Cross-Disability Approach
- i. Advocacy, Self-Advocacy and Awareness Generation
- j. Parent Associations, DPOs, SHGs and Sibling Support Networks

2. Multiple Disability: Provision of cross-disability inputs in the following domains:

- a. Augmentative and Alternative Communication (AAC)
- b. Parent and Family Empowerment
- c. Home Based Management
- d. Use of Aids and Appliances
- e. Inclusive and Barrier Free Learning Environments
- f. Intervention for High Support Needs
- g. Use of ICT in Education
- h. Assessment, Diagnosis and Intervention
- i. Vocational/Skill Training and Employment
- j. Recreation, Leisure and Quality of Life
- k. Advocacy, Self-Advocacy and Awareness Generation
- l. Trans-Disciplinary Intervention

3. Deaf and blindness: Provision of cross-disability inputs in the following domains:

- a. Assessment, Diagnosis and Intervention
- b. Augmentative and Alternative Communication (AAC)
- c. Parent and Family Empowerment
- d. Preparing for Adult Life
- e. Recreation, Leisure and Quality of Life
- f. Strategies and Settings for Education
